Here's what has happened in the last few months and what's to come!

Welcome to the Kappa Kappa Psi Iota Delta Alumni Newsletter!

In August, we were so happy to have been reunited and spent so much time together!

Here are some of the things that happened in August:

- We moved in on campus.
- We had a very successful band camp.
- We attended Meet the Greeks.
- We held our first meeting together for the school year.
- We did service!

We had a very productive and fulfilling August! We are looking forward to September, where we will attend many football games, go on an overnight marching band trip, and continue to do everything we love!

Thank you so much for reading!
